

THE GAZETTE.

TUESDAY EVENING, JUNE 25.

A REMARKABLE ACCIDENT.—A most remarkable accident occurred a few days ago to a French Canadian who was employed in the saw mill of David Smith at Chester Center, Mass. Being wearied with unusually long and severe labor he sat down upon the truck which was attending and falling asleep, was in an instant wheeled against the saw which was running with tremendous speed, and his arm was clipped off above the elbow like a twig and dropped in the pit below. Sufficient strength was left him to call a fellow-workman to his assistance, who, with wonderful presence of mind, seized the end of the severed artery, nor spurring forth quarts of blood, and with a piece of linen thread which he had in his pocket firmly tied it up, and thus stopped the flow of blood till a physician could be procured.

PREMATURE BURIAL.—Several cases of premature burial having lately occurred in France, the Minister of the Interior has issued another circular to the prefects, accompanied by a code of instructions to be made known by them to the medical officers whose duty it is to report the death, and which contains a series of tests to be applied to any case in which there may be possible room for doubt. Such rarely arises when disease results after a sickness has arisen from nervous affections, hysteria, lethargies, &c., require particular care and attention.

VALUABLE POTOMAC LAND FOR SALE.—By virtue of a decree of the Circuit Court of Westmoreland county, Va., in the suit of Stuart, trustee, vs. Kinzer and others, as Commissioner, in said decree appointed, will proceed to sell, on the 22d DAY OF JULY, 1887, at the Court House, in Westmoreland county, Va., at public auction, to the highest bidder, that well-known TRACT OF LAND, in the decree mentioned, called
"LONGWOOD."
This fine estate lies in the county of Westmoreland, immediately on the Potomac, and is bounded on two sides by that river and Pope's Creek. The tract contains upwards of six hundred acres of land, a large portion of the open land being flat, and lying on the creek and river. The land is of excellent quality, and adapted to all the staple crops of the country. Navigation is at the door, and of easy access to the seaboard of grain, timber, coal-wood and other marketable commodities, and the waters abound in crabs, fish and wild-fowl in their respective seasons.
There is growing upon the land an extensive body of pine, chestnut, oak and locust timber, which, owing to the increased demand for timber and fuel, add greatly to the value of the estate.
The old mansion was burnt some years ago, but there are comfortable dwelling houses, standing near the old site, in good repair.
The prospect from this point is beautiful, commanding a view of the river above and below, and looking out upon the shores of Maryland for many miles.
"Longwood" is accessible by steamboat from landings at Currieman and Mattox Creeks, on the Potomac, or Leddstown, on the Rappahannock river.
Further description of this estate is deemed unnecessary as any person wishing to purchase will, no doubt, visit and examine the premises. The title to this estate is unquestionable. Private offers will be received until the 10th day of July, and may be addressed to G. W. LEWIS, Esq., at Oak Grove, Westmoreland county, Va., or to W. M. DOZIER, Alexandria; but if not acted by that day, it will be sold at public auction, at the time and place first mentioned.
The terms will be liberal, and made known on the day of sale.
